**IMPACT Group Ranked #1 Spouse/Partner/Family Assistance Services Provider According to the 2016 Relocation Managers' Survey©**

SAINT LOUIS – June 16, 2016 – IMPACT Group, a WBE-global career transitions firm, recently earned the highest overall satisfaction rating according to the 14th Annual 2016 Relocation Managers' Survey conducted by Trippel Survey & Research, LLC.

The annual survey obtains evaluations from corporate relocation managers regarding their level of satisfaction with various service suppliers in four relocation-related industries: national mortgage providers, national spouse/partner/family service providers, national corporate temporary housing service providers and national rental assistance suppliers.

IMPACT Group's performance earned the highest average and net satisfaction percentage – slightly higher than the 2015 survey.

"We are so grateful to our clients who trust us with their most valuable asset – their people," said Lauren Herring, CEO of IMPACT Group. "Year after year, IMPACT Group consistently ranks at the top of the leader board in this survey. We attribute this achievement to our commitment to providing unmatched service, dedicated coaching and innovative technology that empowers employees and meets their families' unique needs."

The Relocation Managers' Survey© is an independent survey conducted by Alan Trippel Research. Copies of the Trippel Survey & Research, LLC reports referenced here can be found by contacting Alan Trippel at alantrippel.net.
